Program on Network Modeling for the Internet
Closing Workshop
June 25-26, 2004

PARTICIPANT LIST

Jim Berger
SAMSI
berger@samsi.info

Robert Buche
North Carolina State University
Department of Mathematics
rtbuche@unity.ncsu.edu

Rosario de Oliveira
Instituto Superior Tecnico and CEMAT
Department of Mathematics
rosario.oliveira@math.ist.utl.pt

Ian Dinwoodie
Duke University
Institute of Statistics & Decision Sciences
ihd@stat.duke.edu

Arka Ghosh
University of North Carolina & SAMSI
Department of Statistics & Operations
Research
apghosh@email.unc.edu

Barbara Gonzalez
University of Louisiana
Department of Mathematics
barbara@louisiana.edu

Jan Hannig
Colorado State University
Department of Statistics
hannig@stat.colostate.edu

Felix Hernandez-Campos
University of North Carolina
Department of Computer Science
fhernand@cs.unc.edu

Nicolas Hohn
Center for Ultra-Broadband Information
Networks
Electrical & Electronic Engineering
n.hohn@ee.mu.oz.au

Alan Karr
NISS
karr@niss.org

Jasleen Kaur
University of North Carolina
Department of Computer Science
jasleen@cs.unc.edu

Earl Lawrence
University of Michigan
Department of Statistics
earl@umich.edu

Steve Marron
University of North Carolina & SAMSI
Department of Statistics & Operations
Research
marron@email.unc.edu

Krishanu Maulik
EURANDOM
maulik@eurandom.tue.nl

Maria Papadopouli
University of North Carolina
Department of Computer Science
maria@cs.unc.edu

Cheolwoo Park
SAMSI
cwpark@samsi.info

Juhyun Park
University of Zurich
parkj@email.unc.edu

Vladas Pipiras
University of North Carolina
Department of Statistics & Operations
Research
pipiras@email.unc.edu

Sushant Rewaskar
University of North Carolina
Department of Computer Science
rewaskar@cs.unc.edu

David Rolls
University of North Carolina-Wilmington
Department of Mathematics & Statistics
rollsd@uncw.edu

Don Smith
University of North Carolina
Department of Computer Science
smithfd@cs.unc.edu

Diman Todorov
Vienna University of Technology
Department of Research Industrial
Software Engineering
diman.todorov@chello.at

Walter Willinger
AT&T Labs
Department of Research
walter@research.att.com

Peng Xu
North Carolina State University
Department of Electrical & Computer
Engineering
pxu3@ncsu.edu

Lingsong Zhang
University of North Carolina
Department of Statistics & Operations
Research
LSZHANG@email.unc.edu

Zhengyuan Zhu
University of North Carolina
Department of Statistics & Operations
Research
z-zhu@unc.edu
