The Attendees

SAMSI 2015 Program on CCNS

**Began with Computational Neuroscience
Summer School: July 27-31, 2015**

Opening Workshop: August 17-21, 2015

Working Groups All Year Long

***Challenges in Functional Connectivity
Modeling and Analysis: April 8-10, 2016**

Transition Workshop: May 4-6, 2016

***Challenges in Functional Connectivity Modeling and Analysis: April 8-10, 2016**

**Incredible slate of Speakers Friday,
Saturday, and Sunday.**
